#### I. Overview

House Bill 19-1320 requires non-profit tax-exempt general hospitals, Denver Health Medical Center, and University of Colorado Hospital to complete a community health needs assessment every three years and an annual community benefit implementation plan every year<sup>1</sup>. Each reporting hospital is required to convene a public meeting at least once per year to seek feedback on the hospital's community benefit activities and implementation plans. These hospitals are required to submit a report to the Department of Health Care Policy & Financing (the Department) that includes but not limited to the following:

- Information on the public meeting held within the year preceding
   September 1, 2021
- The most recent Community Health Needs Assessment
- The most recent Community Benefit Implementation Plan
- The most recent submitted IRS form 990 including Schedule H
- A description of investments included in Schedule H
- Expenses included on form 990

More information can be found on the <u>Hospital Community Benefit Accountability</u> webpage. Please direct any questions to <u>hcpf\_hospitalcommunity@state.co.us</u>.

<sup>&</sup>lt;sup>1</sup> Long Term Care and Critical Access hospitals are not required to report.

<u>Please see attached document file: "BCH Public Meeting 2021 Agenda Invitees and Summary"</u>

#### IV. Investment and Expenses Reporting

Provide the following information on the expenses included on submitted form 990

Total expenses included on Line 18 of Section 1 of submitted form 990:

\$ 385,924,022.00

Revenue less expenses included on Line 19 of Section 1 of submitted form 990:

\$6,772,530.00

Reporting Hospitals not required to complete form 990 shall provide the above information as described on Lines 18 and 19 of form 990.

In the table below provide a brief description of each investment made that was included in Parts I, II, and III of Schedule H and include the following:

- Cost of the investment. For this reporting purpose, "investment" means
  the hospital's expense net of offsetting revenue for financial assistance and
  means-tested government programs, other community benefits such as
  community health improvement services and community benefit
  operations, and/or community building activities. See the IRS instructions
  for Parts I, II, and III of Schedule H of Form 990 at <a href="www.irs.gov/pub/irs-pdf/i990sh.pdf">www.irs.gov/pub/irs-pdf/i990sh.pdf</a>.
- For each Schedule H investment that addressed a Community Identified Health Need identify the following categories: (See Appendix A for definitions)
  - ✓ Free or Discounted Health Care Services
  - ✓ Programs that Address Health Behaviors or Risk
  - ✓ Programs that Address the Social Determinants of Health

There is a crosswalk available on the <u>Hospital Community Benefit</u> <u>Accountability webpage</u> under the resources section.

 For each investment that addressed a Community Identified Health Need briefly describe available evidence that shows how the investment improves Community health outcomes or provide the evidence as an attachment.

#### Appendix A - Definitions

**Community** - the community that a hospital has defined as the community that it serves pursuant to 26 CFR § 1.501(r)-(b)(3).

**Community Benefit Implementation Plan** - a plan that satisfies the requirements of an implementation strategy as described in 26 CFR § 1.501(r)-3(c).

Community Health Center - a federally qualified health center as defined in 42 U.S.C. sec. 1395x(aa)(4) or a rural health clinic as defined in 42 U.S.C. sec. 1395x (aa)(2).

**Community Health Needs Assessment** - a community health needs assessment that satisfies the requirements of 26 CFR § 1.501(r)-3(b).

**Community Identified Health Need** - a health need of a Community that is identified in a Community Health Needs Assessment.

Financial assistance policy (FAP) - a written policy that meets the requirements described in 26 CFR § 1.501(r)- 4(b)

Free or Discounted Health Care Services - health care services provided by the hospital to persons who meet the hospital's criteria for financial assistance and are unable to pay for all or a portion of the services, or physical or behavioral health care services funded by the hospital but provided without charge to patients by other organizations in the Community. Free or Discounted Health Care Services does not include the following:

- 1. Services reimbursed through the Colorado Indigent Care Program (CICP),
- Bad debt or uncollectable amounts owed that the hospital recorded as revenue but wrote off due to a patient's failure to pay, or the cost of providing care to such patients,
- The difference between the cost of care provided under Medicaid or other means-tested government programs or under Medicare and the revenue derived therefrom,
- 4. Self-pay or prompt pay discounts, or
- 5. Contractual adjustments with any third-party payers.

Examples of Free or Discounted Health Care Services

- Charity care or financial assistance program excluding CICP
- Free services such as vaccination clinics or examinations

**Health System** - a larger corporation or organizational structure that owns, contains, or operates more than one hospital.

Programs that Address Health Behaviors or Risk - programs funded by the hospital and provided by the hospital or other Community organizations that provide education, mentorship, or other supports that help people make or maintain healthy life choices or manage chronic disease, including addiction prevention and treatment programs, suicide prevention programs and mental health treatment, programs to prevent tobacco use, disease management programs, nutrition education programs, programs that support maternal health, including screening, referral and treatment for perinatal and postpartum depression and anxiety, and healthy birth outcomes, and programs that help seniors and people with disabilities live as independently as possible in the Community.

Programs that Address the Social Determinants of Health - funding or in-kind programs or services that improve social, economic, and environmental conditions that impact health in the Community. Social and economic conditions that impact health include education; employment; income; family and social support; and Community safety. Environmental conditions that impact health include air and water quality, housing, and transit. Programs that Address the Social Determinants of Health include but are not limited to the following:

- 1. Job training programs,
- 2. Support for early childhood and elementary, middle, junior-high, and high school education,
- 2. Programs that increase access to nutritious food and safe housing,
- 3. Medical Legal Partnerships, and
- 4. Community-building activities that could be included in Part II of Schedule H of the Form 990.

#### Reporting Hospital

- 1. A hospital licensed as a general hospital pursuant to Part 1 of Article 3 of Title 25 of the Colorado Revised Statutes and exempt from Federal taxation pursuant to Section 501(c)(3) of the Federal Internal Revenue code, but not including a general hospital that is federally certified or undergoing federal certification as a long-term care hospital pursuant to 42 CFR § 412.23(e) or that is federally certified or undergoing federal certification as a critical access hospital pursuant to 42 CFR § 485 Subpart F,
- 2. A hospital established pursuant to § 25-29-103 C.R.S., or
- 3. A hospital established pursuant to § 23-21-503 C.R.S.

**Safety Net Clinic** - a Community clinic licensed or certified by the Department of Public Health and Environment pursuant to Section § 25-1.5-103 (1)(a)(I) or (1)(a)(II), C.R.S.
