

Biomed Gets New Manager

Mike Soleta has accepted the position of manager of Biomedical Engineering for BCH. Mike has been the acting lead for the Biomed Department and has been with the hospital for 20 years. For the past year, Mike has been instrumental in evaluating the Biomed program at BCH and has helped save the hospital more than \$300,000 by renegotiating maintenance contracts.

As part of this transition, we are also be changing the reporting structure for the Biomed Department. Effective immediately, Biomed will report to Linda Minghella, Chief Information Officer. Together, Mike and Linda will start developing a device integration strategy to bring information from clinical equipment into our Meditech EMR system.
